This ranking was generated with transactions announced in 2020 Year-to-Date. The Rankings do not include joint ventures. At least one party in the transaction must be from the country analyzed.
Asset Acquisitions transactions are included where the Target is classified as a Business Unit.
In case of a draw, the adopted criteria will be the following: for a draw of the number of transactions, the total deal value prevails; for a draw of the deal value, the number of transactions prevails. When a draw of both deal number and deal value occurs, the original position will be maintained and the deals will be arranged alphabetically.
In transactions where the same advisor represents both Buy-side and Sell-side, the deal is credited only once as Buy-side. Sell-side includes advisory mandates for targets and sellers.

This ranking was generated with transactions announced in 2020 Year-to-Date. The Rankings do not include joint ventures. At least one party in the transaction must be from the country analyzed.
Asset Acquisitions transactions are included where the Target is classified as a Business Unit.
In case of a draw, the adopted criteria will be the following: for a draw of the number of transactions, the total deal value prevails; for a draw of the deal value, the number of transactions prevails. When a draw of both deal number and deal value occurs, the original position will be maintained and the deals will be arranged alphabetically.
In transactions where the same advisor represents both Buy-side and Sell-side, the deal is credited only once as Buy-side. Sell-side includes advisory mandates for targets and sellers.
